Product Description. Product Details.

The second of Kant's three critiques, Critique of Practical Reason forms the center of Kantian philosophy; published in 1788, it is bookended by his Critique of Pure Reason and Critique of Judgement. With this work Kant establishes his role as a vindicator of the truth of Christianity; he approaches his proof by presenting positive affirmation of the immortality of the soul and the existence of God.

The Critique of Practical Reason is the
second of Immanuel Kant's three
critiques, published in 1788. It follows
on from Kant's Critique of Pure
Reason and deals with his moral
philosophy. The second Critique
exercised a decisive influence over the
subsequent development of the field

Product Description. Product Details.

In his monumental Critique of Pure Reason, German philosopher Immanuel Kant (1724–1804) argues that human knowledge is limited by the capacity for perception. He attempts a logical designation of two varieties of knowledge: a posteriori, the knowledge acquired through experience; and a priori, knowledge not derived through experience.
