The Dawn of the Void is an event which can be summoned using either a Dark Pearl or an Insignia of Emptiness, with different enemies depending on which is used. The Dawn of the Void introduces many new enemies, a miniboss and unique drops. The Dark Pearl can only be used during the day or before 10pm at night. If it is used during the day, the player will get a message in chat reading "Your head throbs" and the event will start upon the arrival of night.
