"Breathless" starts out with great possibilities and again stirred in me hope of going back to the "old Dean Koontz" style of writing where he spends considerable time making "masterpieces" of fiction. Unfortunately, my hope was dashed too soon as it too ended up reading not only as a rush job to finish it but also as an author that loses his idea so just grabs at anything to complete the novel.

I remain a loyal Koontz fan, but expect much more from my favorite author. 15 people found this helpful Overall 1 out of 5 stars. Ginny 11-01-10 Had ...

Hope for the future of our world seems to be an undercurrent in many of his books and I really love the triumph of good in "Breathless"
