Death of a River Guide on Apple Books Chapter One. As I was born the umbilical cord tangled around my neck and I came into the world both arms flailing, unable to scream and thereby take in the air necessary to begin life outside of the womb, being garrotted by the very thing that had until that time succoured me and given me life.

Excerpt from 'Death of a River Guide' | KCRW Death of a River Guide consists of the meditations of a drowning man. As he reflects on his wasted life and troubled family, he begins to understand his past. The novel's broad sweep encompasses a lot of the darker parts of Australia's history, but it's really of general interest and deserves more recognition in North America.

Death of a River Guide book by Richard Flanagan The former is a epic history of the island seen through the eyes of a fictional drowning river guide as his extended family's lives pass through his dying mind. The latter is a history of the island as the author pieces together his ancestors that played varying roles in Tasmanian history.
