A Defenseless Creature..... 47 The Arrangement ... Secondly, I analyze the script and look at how the various themes from both Chekhov and Simon are explored in my design, and offer an individual detail of character and their design. Included in the character design is the historical background of clothing of the late 19. th. century. Next, I describe the build and production process of the ...

You have here a tug of war between two defenseless creatures. One who society has turned its back on and is beyond desperate to secure whatever help she can find -- and another whose health has led him to the verge of a nervous breakdown and thus susceptible to unrelenting remonstrations. Both will do whatever they can to relieve their situation.

As an exit ticket for today's class, I have students compare and contrast the script of "A Defenseless Creature" to the performance we watched. I ask them to think about whether the staged version was what they expected or not. What parts seemed right and what parts did not match what you visualized yesterday? This exit ticket is a formative assessment that I collect as they are leaving class ...
