.throughout season, run drills where team defensive zone coverage is applied.always be demanding in zone, whistle play down whenever coverage is not correctly executed.these drills can incorporate a variety of offensive concepts but they always end up with a 5 on 5 in defensive zone until a breakout has been achieved.do not neglect offensive skills

Defensive Zone Coverage - Hockey Eastern Ontario

Following are some key principles to remember in defensive zone coverage: Maintain mid-ice positioning. Players are often in such a hurry to get to the outside to apply pressure to the puck carrier that they over commit and leave space in the most dangerous scoring area-the low slot. Few goals are scored from this outside area but in a lot of teams defensive play they will be caught with too many players covering the outside space.
