“ Over the past couple of years, we have seen how computers evolved, how the threats have evolved, ” said Deepak Rangaraj (pictured), PowerEdge security product manager at Dell Technologies Inc ...

Dell PowerEdge servers build cyber resilience with zero-trust security smorgasbord of features

Dell's focus on edge computing goes back many years and its latest PowerEdge XR rugged servers push even more processing power out to where data is being generated. The family comprises the 2U ...

Dell PowerEdge XR11 review: More power to the edge

The Dell XPS 13 (2022) returns with updated hardware, a new color option, and some controversial design changes, but overall it's a fantastic laptop for everyday use at a great price. Still ...

Dell XPS 13 (2022) review

It ' s hard to improve on what ' s long been the best Windows laptop, but the latest Dell XPS 13 finds some subtle, smart ways to do just that. Dell ' s new flagship slims down what was already ...

The Dell XPS 13 2022 makes the best Windows laptop look even more stunning

Take your home office or gaming setup to the next level with an extra 10% discount on qualifying monitors using this Dell coupon code. Enjoy free shipping on all purchases with no minimum spend.

Dell Coupon Codes October 2022

This involves building new controls and procedures from scratch. It ' s a challenge that Dell Technologies recognizes and aims to address with a new solution. Today, Dell announced the Zero ...

How Dell ' s Zero Trust Center of Excellence secures multicloud environments

I ' ll definitely miss the white color option and the unique materials of the old XPS laptops. Dell now offers the lighter “ Sky ” color, which is the one I have, and the darker “ Umber ” model.

Dell XPS 13 (2022) review: a true answer to the MacBook Air

For a short time only, score an additional 13% off refurbished gaming laptops including Alienware, Dell G15, XPS models and more with this Dell Outlet discount code. Additional 10% off business PC ...

Dell Outlet Coupons October 2022

One of the best laptop deals for anyone on a budget is the Dell Inspiron 15 laptop. Normally priced at \$450, it ' s on sale at Dell for just \$300. A considerable saving of \$150, this is the ideal ...

This 15-inch Dell laptop just got a huge price cut — now \$250

That's where the Dell G2723H (\$339) comes in. This 27-inch gaming monitor delivers a full HD picture at 240Hz. It ' s a no-frills monitor by all stretches of the imagination, but it's a solid ...

Dell 27 Gaming Monitor (G2723H) Review

It's no secret: The manual transmission is a dying breed. While enthusiasts love to shift gears themselves, manufacturers are finding it harder and harder to justify keeping three-pedal options ...

BMW Will Keep the Manual Around Until 2030

The Dell XPS 8950 (starting at \$749) proves that a gaming PC doesn ' t need to have an ostentatious design to be worth buying. As with its predecessor, the Dell XPS 8940, this desktop seems more ...

Dell XPS 8950 review

When someone thinks of a manual gearbox, they usually relate it to a sports car of some sort. That has not always been the case; 90 years ago everything came with three pedals, even a Rolls-Royce!

Top 10 Cars You Didn't Know Came with a Manual Transmission

So you're looking for a monitor, huh? Well, you can't go wrong with Dell. The key to Dell is in the variety. Whether you're a businessman looking for something for work or you want something ...
