What did democracy really mean in Athens?

- Melissa Schwartzberg

Democratic Governance Theory And Practice

Democratic governance. Questions about public policy are partly normative. Policy processes should ideally reflect the values of the citizenry. Today these values are generally democratic ones. However, the new governance raises specific problems for our democratic practices. Democracy is usually associated with elected officials making policies, which public servants then implement.

an authoritative overview of democratic theory today. Its distinctive approach links theory to practice, emphasizing the wide variety of institutions and procedures through which core democratic principles are implemented and the normative and practical dimensions of the choices to be made among these alternatives.

Democracy in Theory and Practice - 1st Edition - Frederick ...

"Democratic Governance is a highly original, broad-ranging, and ambitious book that makes distinctive contributions to democratic theory, the sociology of knowledge, and public policy. Its major contribution is to show how relatively abstract social theories have informed, down to the details, agendas of political, administrative, and policy reform."—Archon Fung, Harvard

Democratic Governance | Princeton
University Press

Democratic practice involves a constant struggle between society and State in which society demands some level of the essence of democracy mixed with some level of dictatorship and the State provides what it considers a balanced mixture. Some level of dictatorship is always required as a control function to avoid anarchy.

Democracy And Its Practises - Carleton
