If family structures are then broken by the weapon of deportation, what type of nation are we trying to build? Research over the years has concluded that children who have been forced to face separation from their parents usually face a lot of emotional, cognitive and behavioral defects going forward. If children are supposed to be the number one citizen of the nation, why do we try to break ...

“ From the deportation of self-proclaimed anarchist Emma Goldman in 1919, to Attorney General Mitchell Palmer’s raids against alleged left-wing subversives in the 1920s, to the use of immigration laws against members of groups involved in organized crime and the Communist Party in later decades, and to the internment of Japanese-Americans during World War II, *Deportation Nation* weaves a fascinating tale of the good, the bad, and the ugly sides of American immigration law.

Deportation Nation is a chilling history of communal self-idealization and self-protection. The post-Revolutionary Alien and Sedition Laws, the Fugitive Slave laws, the Indian "removals," the Chinese Exclusion Act, the Palmer Raids, the internment of the Japanese Americans--all sought to remove those whose origins suggested they could never become "true" Americans. And for more than

Deportation Nation | History News Network

The danger of deportation hangs over the head of virtually every noncitizen in the United States. In the complexities and inconsistencies of immigration law, one can find a reason to deport almost any noncitizen at almost any time. In recent years, the system has been used with unprecedented vigor against millions of deportees.
