Over long periods of time, many rocks change shape and type as they are transformed by wind, water, pressure, and heat. All rocks contain one or more minerals. Rocks and minerals are mined to help make things around us, from the large stone slabs used in buildings to the tiny pieces of metal in phones and jewellery.

Rocks And Minerals For Kids | Facts About Rocks | DK Find Out

Rocks and Minerals is your essential collector's companion, with illustrated entries on hundreds of minerals, gems, and rocks from actinium to zirconium. Its breathtaking array includes organic minerals, such as pearls and corals, as well as silicates and "native elements" like gold.

Nature Guide Rocks and Minerals | DK UK

About Rocks & Minerals Takes children on an incredible journey to the core of the Earth and back. Take a trip through a deep diamond mine, discover the secrets that are hidden in rocks and dig down to discover the amazing treasure beneath our feet. Use the handy glossary to enhance vocabulary.

Rocks & Minerals | DK UK

A rock is a solid collection of mineral grains that grow or become cemented together. Some rocks are large while others are small. Small rocks are called pebbles. Every rock is made up of one or more minerals. Geologists (people who study rocks and minerals) classify rocks according to the way they are formed.

Rocks, Minerals & Fossils | DK UK

A light-coloured igneous rock, such as this pink granite, is rich in silica. Dark-coloured rocks have less silica but contain other dark, heavy minerals. Pink colour. The pink colour is caused by a mineral called potassium feldspar. Other minerals, called mica and amphiboles, produce the darker-coloured areas.

Igneous Rocks | Types Of Igneous Rocks | DK Find Out

A mineral is a naturally occurring, solid inorganic substance, which means it doesn't come from the remains of plants or animals. Minerals are made of chemicals. Most minerals are made up of repeating structures called crystals. Minerals grow or cement together to form rocks. Minerals are everywhere you look.
