The plot of DNA by Dennis Kelly is explored using a mixture of short dramatised sequences, narration and talking head-style interviews with some of the key characters.

English Literature / Drama GCSE: Plot Overview: DNA by ...

Scene 1. In Part One of the play, several London teens—school friends whose smaller pairings and cliques often come together in one large group—learn a mysterious piece of bad news. Mark and Jan, two nervous worrywarts, warn Leah and Phil, a couple, that their group needs to get together and talk. The verbose, anxious, existential Leah and the silent, constantly snacking Phil follow Mark and Jan to a small woodland area where they all meet up with Lou, John Tate, and Danny.

Dna Play Script Dennis Kelly

DNA (Dennis Kelly) Background and Context; Title . Background and Context . Quick revise ... The play is set in an indeterminate place and time, though clearly contemporary in speech and reference. The spirit of place is less important than the intensity of the characters. The power struggles within the group of teenagers and the volatility of ...

Background and Context - DNA by Dennis Kelly

Plot Summary One Dennis Kelly opens the play in a street. The tense dialogue between Jan and Mark immediately informs us of a dramatic and deadly situation. A death is revealed but the details around the incident remain a mystery. Kelly quickly changes the setting to a field where we are introduced to Phil and Leah.

DNA

DNA (Dennis Kelly) Summary. Title. Summary. Quick revise. A group of teenagers do something bad, really bad, then panic and cover the whole thing up. But when they find that their cover-up unites them and brings harmony to their once fractious lives, where is the incentive to put things right. Act 1. Scene 1: Mark and Jan discuss that someone is 'dead' and this throws the audience into the middle of the action.
