~~Doing Right: A Practical Guide to Ethics for Medical ...~~

Doing Right is a helpful initial guide for medical professionals and others who serve on hospital bioethics advisory committees (as I do and have since 1981). Dr. Hebert has a significant professional grasp of the core issues and many of the most definitive legal cases that bear on clinical ethics.

Philip Hebert. OUP Canada, Nov 6, 2008 - Medical - 302 pages. 0 Reviews. Doing Right is a concise and practical guide to ethical decision-making in medicine. The text is aimed at second and third year one-semester ethics courses offered in medical schools, health sciences departments and nursing programs. By taking an applied approach rather than a theoretical approach, this text serves the needs of medical and nursing students, residents and practising physicians by sorting through ...
