Make sure the room you're bathing them in is warm. Have everything you need at hand: a baby bath or clean washing-up bowl filled with warm water, two towels, a clean nappy, clean clothes and cotton wool. The water should be warm, not hot. Check it with your wrist or elbow and mix it well so there are no hot patches.

It's scary news, but the reality is that most parents-to-be underestimate the cost of having a baby. According to research, the cost of raising a child to 21 in the UK costs an eye-watering average of £231,843, with £11,498 of those costs hitting in the first year alone. Budgeting for a baby's first year is therefore an essential part of the planning for baby.
