Wool Trilogy 3

Dust is the third book in the Silo series, and nicely brings the storyline to a natural conclusion, but also leaves the door cracked open for any followups that may be written. There are many fan-fiction stories set in this world, and I'm sure there are many who will continue to write in this universe, but the main story is finally concluded.

Silo Series (3 book series) Kindle Edition

The final volume of the Silo Trilogy picks up where the first one, Wool, left off. Having read Wool months before Dust, I have to admit that some of the characters and situations were a bit dusty in my mind, but still the narrative does stick together.
