Certain details may stretch credibility a little, but in general I believe Eating Fire and Drinking Water succeeded to create an atmosphere which could only be drawn from the legacy of another culturally and politically diverse country, the Philippines, during Ferdinand Marcos' (El Presidente) twenty years of neo-colonial rule. Such a novel could only be written by one intimately familiar with this background.

Yesterday, I found myself reading Arlene J. Chai's "Eating Fire and Drinking Water". I bought the book last month on the merit that the author's first novel, "The Last Time I Saw Mother", did a good job in bringing out my silent tears. As I flipped through the book, what I read from its first few chapters surprised me.
