the best book  
on disordered eating I  
have yet to read,  
because it sheds light  
on the painful struggle  
with uplifting, inspiring  
storytelling.

Johnston's soft,  
delicate voice will  
weave you through  
tales of distant lands  
which somehow bring  
you to the shore of  
self-discovery.

Put simply, we wake  
up when it's light and  
go to bed when it's  
dark. But with

# Get Free Eating In The Light Of

electrical lighting and modern lifestyles, we're now able to control our own wakefulness, and can stay awake and eat late into the evenings. Various studies suggest eating at a time naturally reserved for sleeping could have adverse effects on weight and metabolic health.

# Get Free Eating In The Light Of

Anita Johnson looks  
at disordered eating  
and issues with food  
through metaphors  
and storytelling.

Johnson emphasizes  
the idea that food is  
not the issue and it is  
only a mask for the  
real, deeper problem.
