Electronic Capital Planning, and Investment Control User Guide. September 5, 2019 Prepared by. Prepared by Booz | Allen | Hamilton. in support of the Federal eCPIC Steering Committee

eCPIC User Guide

1.1 Overview. The eCPIC system is a government-owned, web-based application that Federal Agencies use to support their Capital Planning and Portfolio Management processes. This includes managing investment portfolios and preparing budget data for submission to the Office of Management and Budget (OMB). The General Services Administration's eCPIC Program Management Office (PMO) governs the operation and maintenance of this application.

1.1 Overview - Digital.gov

On the top of many tables throughout the system, eCPIC offers filters to alleviate the need to scroll through long lists and decrease time spent searching for investments, users, processes, etc. eCPIC has a default investment view that is seen each time the Investments module is selected.

Electronic Capital Planning and Investment Control (eCPIC ...

End User IT Tower Costs for End User Investments. Validates that End User Standard Investments are reporting costs greater than 0 for CY and BY in the End User row of the IT Towers table. Agency IT Portfolio Summary. Funding Source - Deactivated Funding Source. The investment contains a funding source that has been deactivated.

10.21List of Business Rules - Digital.gov

For information on using these tables, see the Project Activities Table section (4.22.9) and the Agile Activities Table Section (4.22.2) of the eCPIC User Guide, as the functionality and use thereof remains the same. The Proposed baseline does, however, contain other features to help identify and monitor changes to the baseline.

4.22.3.3Preparing a Performance Baseline Change Request

Folio, designed by the Federal eCPIC Steering Committee (FESCOM), is the successor to the eCPIC application, which served as the premier government-wide shared service for over 15 years! This modern application provides federal agencies with new benefits through Folio's improved user interface, flexible data collection capabilities, and ...
