Schneider Electric Upgrades Motor Management Solutions

In this article, we consider the Middle East and Africa as potential market regions for electric vehicle drive motors.

Can MEA be a potential market region for electric vehicle drive motors?

Vitesco Technologies has announced it will be presenting several innovations for vehicle electrification at the 35th International Electric Vehicle Symposium (EVS) in Oslo from 11 to 15 June. Among th ...

Vitesco reveals motor with coils, not a magnet

Electric powertrain company Saitta Group updated the market on developments with its core ' axial flux technology ' (AXT) on Wednesday, which is primarily targeted at the light-duty automotive and ...

Saitta announces more integrated technology focus

This follows an order of 165 additional Series-ER (Electric Range) systems for nearby Mississauga Transit (MiWay).

BAE Systems announces that it is providing more than 500 electric drive systems for Ontario ZEBs

Schaeffler is focusing on electric mobility. The company is demonstrating this by simultaneously launching several new electric axle drives (electric axles ...

DGAP-News: Schaeffler AG: New drive for electric mobility: The 4in1 electric axle from Schaeffler
