Employee handbook examples and resources. There are several useful resources you can check online to help you create an employee handbook. First, several major companies have published employee handbooks online. Video game company Valve's book for new hires is a particularly interesting example of a handbook that fits the company's culture.

The Ultimate Employee Handbook Guide (Including Free ...

"An employee handbook gives new hires tangible information to help them settle into their new jobs. It's a consistent message on who we are, how we function and what we expect from our employees." Without the help of a handbook, it may take employees time to grasp a company's culture and organization. In 2012, game development company Valve released a handbook for new hires to explain ...
