engine, their importance and how to ensure they are working properly. Take up the test below and see how well you understand basic engine parts.

Basic Engine Parts Trivia Quiz! - ProProfs Quiz

About This Quiz Is your brain up to figuring out the workings of an internal combustion engine? Most modern cars use internal combustion engines (or the reciprocating piston engine, as some call it). But engines have a long and fascinating history and have been engineered in many shapes, sizes and styles.
