This is a list of professorships at the University of Cambridge..  
During the early history of the University of Cambridge, the title  
professor simply denoted a doctor who taught in the university, a  
usage that continues to be found in, for example, US universities.  
However, from the 16th century onwards in Cambridge it was used  
to denote those holding "chairs" that had been founded by the ...

Professor Joseph Chuang, Head of Mathematics (Interim), is an academic. Overview. Professor Chuang studied at Harvard University, graduating with a Bachelor of Arts degree in 1994, and spent the following year attending Part III of the Mathematical Tripos at Cambridge University.

~~Professor Joseph Chuang | City, University of London~~

Engineering functions. Problem solving is common to all engineering work. The problem may involve quantitative or qualitative factors; it may be physical or economic; it may require abstract mathematics or common sense. Of great importance is the process of creative synthesis or design, putting ideas together to create a new and optimum solution.
