Teaching English as a foreign language refers to teaching the English language to students with different first languages, typically used to imply that the English Language Learner may have already learned more than one language, prior to learning English. TEFL can occur either within the state school system or more privately, at a language school or with a tutor. TEFL can also take place in an English-speaking country for people who have immigrated there. TEFL teachers may be native or non-nati

Teaching English as a second or foreign language - Wikipedia

What follows are excerpts from official Department for Education (England) and Ofsted guidance, relevant to supporting English language development and learners with EAL within the curriculum: Teachers should develop pupils' spoken language, reading, writing and vocabulary as integral aspects of the teaching of every subject. English is both a subject in its own right and the medium for teaching; for pupils, understanding the language provides access to the whole curriculum.
