Besides the fact that it contains some of the best essays of all time, the book's foreword provides insight into the authors' views on the genre and its writers, "The essayist is a self-liberated man, sustained by the childish believe that everything he thinks about, everything that happens to him, is of general interest," and the post essay section, entitled About E.B. White, includes an excellent chronology of major events in the man's life and writing career.

Essays of E. B. White has the dry humor and self-effacing ploy of an English author (he wasn't) and the loving detail of a highly observant and philosophical man. It is also steps apart from time. His essay about the 1939 World's Fair and thoughts on the poison of the future could be republished every fifty years on the hour.

E.B. White had many interests and his essays reflect upon life in New York City, life in Maine, and general commentary upon matters that fall in between. My favorites in this book are: his essay about Thoreau's Walden and the This is a wonderful collection of beautifully written essays by one of the great prose stylists.

Most folks will know E.B. White as the author of Charlotte's Web and Stuart Little, or as the eminently practical voice of reason in The Elements of Style. However, White was also an accomplished essayist, turning out pieces for The New Yorker and Harpers on a regular basis for many years.What I like about White's essays is that they can be counted on to be insightful, amusing and well-written.
