I was very happy to find this list since I was searching for Dragon shifter romance. But after spending hours looking up half of these books and their reviews -- I have found that this is mostly erotica and YA with a small smattering of adult "dare-I-say-Regular-Romance" with dragons. Disappointed.

Such an interesting change to the normal shifter stories. The characters were great, enough to be interesting and have depth, not so many that you lose the thread and each one was unique. The relationship between Lord Maddugh and Kai was perfect, romantic, fiery and erotic, whilst not being overly explicit.
