on the Templars. What Should the French King Philip Have Done? ~~Lost Books of Eden, The First Book of Adam and Eve: Chapters 21-30~~ Eve Templar One

'Eve: Templar One' is an amazing book, it continues the story of 'Eve: The Empyrean Age' and it abounds with nice science fiction concepts, enthralling characters and lots of suspense. Some of its events are synonymous with events in the real world, embellished with some of the best idioms and aphorisms ever. It is also syntactically and semantically perfect. Some say it is for a genre ...

Templar One continues the story started in Empyrean Age. Eve Online players and military sic-fi aficionados will likely enjoy this book; others may find it difficult to follow. The short chapters lend themselves to reading in the pauses of one's day but I found the story interesting enjoy to read the book in a few sessions.

EVE: Templar One Audiobook | Tony Gonzales | Audible.co.uk

EVE: Templar One is a labor of love that began in 2009. For now, it is my last contribution to EVE ' s fiction as I was amongst the casualties of the recent difficult times CCP endured. I hope you enjoy reading it as much as I enjoyed creating it. My publishers and dev colleagues are excited for it, and I hope you are too.

Eve: Templar One - Tony Gonzales - Google Books

A lot of this, I feel, is the fact that Templar One was clearly written as a companion for CCP Game's failed FPS game, Dust 514. Many of the concepts introduced or explored in this novel are clearly designed to reinforce the gameplay features found in that game. Overall in the end it was not a terrible book, but I vastly preferred Empyrean Age.
