Unit 8|8 - Everyday

Mathematics

In math, the word unit can be defined as the rightmost position in a number or the one's place. Here, 3 is the unit's number in the number 6713. A unit may also mean the standard units used for measurement. Another definition of unit is an individual thing or person regarded as single and complete but is also part of a whole or group. We also use the word unit while referring to the unit ...
