Oxford Handbook of Expedition and Wilderness Medicine ...

Wilderness and Travel Medicine specializes in the highest quality expedition, travel, and wilderness medicine CME conferences for medical professionals (Physicians, NPs, PAs, RNs, and paramedics) from all specialties. Since 1982, our courses have prepared participants to be more adept at rendering emergency medical care in the wilderness environment.

Wilderness Medicine - Wilderness and Travel Medicine ...

Wilderness Medicine, edited by Paul Auerbach is the first of these, and Expedition and Wilderness Medicine edited by Bledsoe, Manyak, and Townes is the other. If you want something detailed enough as a reference, yet small enough to take with you, then the second edition of the Oxford Handbook of Expedition and Wilderness Medicine would be hard to beat.
