Fair Play: The Moral Dilemmas of Spying - Amazon.co.uk

Although many Americans may think that super-utilitarian calculation has always lain at the heart of the intelligence enterprise, former CIA counterintelligence officer James M. Olson shows in Fair Play that reality is much more complicated ethically when one gets down to cases. Even in the post-9/11 world, when the ends-justify-the-means argument seems more appealing than ever, there remain moral boundaries that intelligence professionals should never cross and many quandaries of conscience ...

Fair Play: The Moral Dilemmas of Spying - Central

Fair Play: The Moral Dilemmas of Spying, is a great thorough approach to explain the emotional complications that are faced when you must serve your nation and have no other means to serve but through a breach of privacy. It's all for the common good though. Transportation Security Officers face this dilemma every morning of everyday.
