Most students in grades 3
and up take Standards of
Learning (SOL) tests each
year, as required by state
law. Test results are
generally available for
parents and guardians about
3 months after the test was
taken. Official student
results are distributed to
parents and guardians after
each testing window. The
resources below are intended
to assist parents and
guardians in understanding

The state of Virginia has established achievement tests that are administered at the end of 3rd, 4th, 5th and 6th grades to measure the mastery of curriculum. The Standards of Learning Tests (SOLs) test students in the areas of reading, writing, math, history and science. Please plan around the dates that will be scheduled (sometime from early May to early June) so that your child is available during the testing time frame.
