Most students in grades 3 and up take Standards of Learning (SOL) tests each year, as required by state law. Test results are generally available for parents and guardians about 3 months after the test was taken. Official student results are distributed to parents and guardians after each testing window. The resources below are intended to assist parents and guardians in understanding their children's results.

The state of Virginia has established achievement tests that are administered at the end of 3rd, 4th, 5th and 6th grades to measure the mastery of curriculum. The Standards of Learning Tests (SOLs) test students in the areas of reading, writing, math, history and science. Please plan around the dates that will be scheduled (sometime from early May to early June) so that your child is available during the testing time frame.
