Falling Into the Fire: A Psychiatrist's Encounters with ...

Falling Into the Fire is psychiatrist Christine Montross's thoughtful investigation of the gripping patient encounters that have challenged and deepened her practice. The majority of the patients Montross treats in *Falling Into the Fire* are seen in the locked inpatient wards of a psychiatric hospital; all are in moments of profound crisis. We meet a young woman who habitually commits self-injury, having ingested light bulbs, a box of nails, and a steak knife, among other objects.

Falling Into the Fire: A Psychiatrist's Encounters with ...

'Falling Into the Fire is as good an account of the labyrinth of mental health care as you're likely to read. [Montross's] work in critical care psychiatric settings is the source material, and she launches from discussions of clients into larger questions about the nature of psychiatry and of mental health.

Falling Into the Fire: A Psychiatrist's Encounters with ...
Book review by Laurie Beth Jones. I have been reading “Falling into the Fire: a Psychiatrists Encounter of the Mind in Crisis”written by Christine Montross. In it she details the phenomenon of people standing in front of art, such as Caravaggios paintings of Christ, and suddenly losing their identity—literally.
