*Family Wellbeing Model | Children and Families Trust*

Family well-being is vital to thriving communities. Families who are able to make informed decisions, manage their basic needs, and tackle pressing human and community issues are better equipped to lead happy, healthy lives. A range of factors can affect family well-being, and investments in families contribute significantly to the

social, psychological, and economic development of our nation.

*Family Well-Being | National Institute of Food and Agriculture*

Abstract. Family well-being provides a foundation for positive parenting and child well-being. Many previous studies have outlined the possible connections between family well-being, parenting, and child well-being, yet translating research into practice continues to be problematic. The purpose of this article is to review the current literature (from 2000 to 2014) on

*Introduction to the Family Wellbeing Service*  
Coloma Family Well-being. This page is dedicated to providing you with information, videos, links and strategies that you can use to support the wellbeing of your daughter and in turn your whole family. Your daughter will also have access to her own Google Classroom geared towards her Key Stage. It is also a way of remaining connected during this time of distancing.

Child and Family Well-Being Every child  
deserves the opportunity to lead the  
healthiest life possible. And every family  
deserves the opportunity to raise healthy  
kids—no matter where they live, where they  
are from, or how much money they make.
