Gwent in The Witcher 3 is an obvious highlight, of course, but the first card-based minigame that really caught my attention was Triple Triad back in 1999 release Final Fantasy 8. Not only did ...

Shack Chat: What are your "must-play" video game mechanics? Not too many years later Final Fantasy 8 came out, the first Final Fantasy title I ever bought for myself, and that was right around the time I first had internet access from home. I combed ...
