Fiction and the Figures of Life. As with his first novel, Gass's first book of non-fiction, Fiction and the Figures of Life, made an immediate and profound impact on critics. The New York Times Book Review said, "the unlikely combination of criticism, philosophy and metaphorical inventiveness has resulted in a kind of poetry." A collection of essays and reviews, Fiction and the Figures of Life set the stage for numerous books like it to follow, strengthening Gass's reputation as a master ...

Fiction and the Figures of Life opens with images from the series Stillness and Dark Matter, spacious, pure landscapes, devoid of any sign of human presence, that are reduced to the fundamental elements of composition: line, color and light. These minimalistic images convey a balanced, and at the same time, ambiguous visual and sensory ...

5.0 out of 5 stars fiction and the figures of life. This is a superb collection of essays by one of the very few American philosophers who can write well. Gass combines a penetrating insight into the human condition, an awareness of genuine philosophical difficulties, and a grasp of the way words should be used.

An extraterrestrial or alien is any extraterrestrial lifeform; a lifeform that did not originate on Earth. The word extraterrestrial means "outside Earth". The first published use of extraterrestrial as a noun occurred in 1956, during the Golden Age of Science Fiction. Extraterrestrials are a common theme in modern science-fiction, and also appeared in much earlier works such as the second-century parody True History by Lucian of Samosata. Gary Westfahl writes: Science fiction aliens are both me

Five books to read if you love portraits of historical figures

Traditionally the treatment of historical figures in fiction was realistic in style and respectful of fact. A historical novel would be true to the facts known about the period in which the novel is set, a biographical novel would follow the facts that are known about the protagonist's life, and a " roman à clef " would try to give an accurate interpretation of what is known about a public
