The second editions of the three main FIDIC construction contracts were formally introduced at the London users' conference in December 2017. The new Red, Yellow and Silver Books had long been anticipated and represented the first update to the three main forms since 1999. The third feature of the Red Book, which it shares with the Yellow Book, is that an important role is assigned to the Engineer.

Profit (Cl. 1.1.20, 13.3 & 15.6) Whilst the 1999 Red Book entitles the Contractor to recover Cost Plus Profit for various relief events, the amount of profit recoverable under the 2017 Red Book is now set at a default sum of 5% in most circumstances. The Contractor is also now expressly entitled to recover lost profit where Works are omitted or where the Contract is terminated for convenience, although the margin of profit is not stipulated.
