course designed to show students the importance of accounting in their everyday lives. Emphasizing decision-making, this new edition features relevant topics such as data analytics as well as the time-tested features that have proven to be of most help to students.

Accounting: Tools for Business Decision Making, 7th Edition
Kimmel's Financial Accounting provides market-leading problem-solving material that you can assign for practice, homework, or in class work. The WileyPLUS problem-solving experience imitates a blank sheet of paper with type-ahead for entering account titles, so that students use recall memory when they practice or do homework online.
