The first stage trust versus mistrust is developed during infancy to around twelve plus months. Infants rely completely on their caregivers, the quality and dependability received from the caregiver builds the type of trust they will develop. Children who have built trust within this first year usually feel safe and secure.

Here are my tips for writing in multiple perspectives. Differentiate the voices. The easiest way to fail at multiple perspective is to not actually

have any. Don't give characters the same sense of humor, the same vocabulary, the same sense of right and wrong. When in doubt, read the different perspectives aloud.

5 Quick Tips for Writing in Multiple Perspectives - Writer ...

First, second and third person accounts. A story has to be 'told' to the reader and a 'narrator' is needed to do this. A narrator's voice can be first, second or third person. Here is a quick summary:
