Fiscal Federalism by Robin Boadway - Cambridge Core  
These principles are briefly explained below: 1. Independence and Responsibilities: The success of fiscal federalism is conditioned by the two fundamental requisites- Financial independence and financial responsibility. It means that the central and state government must be financially independent within their own spheres.

Federal Finance: Concept, Principles and Problems  
Fiscal federalism is characterized by fiscal relations between central and lower levels of government. The fiscal relationships between and among the constituents of the federation is explained in terms of three main theories, namely, the theory of fiscal relation which concerns the functions expected to be performed by each

Fiscal federalism in Nigeria: Theory and practice  
Fiscal federalism, however, represents the polar case where federal fiscal arrangements are decided purely on economic principles. The existence or otherwise of a federal constitution is not a consideration, and the principles of fiscal federalism apply to both unitary and federal countries2.

FISCAL FEDERALISM IN INDIA: THEORY AND PRACTICE  
As a subfield of public economics, fiscal federalism is concerned with "understanding which functions and instruments are best centralized and which are best placed in the sphere of decentralized levels of government". In other words, it is the study of how competencies and fiscal instruments are allocated across different layers of the administration. An important part of its subject matter is the system of transfer payments or grants by which a central government shares its revenues with lower

Fiscal Federalism Principles And Practice Of Multiorder ...  
Fiscal federalism is an economic framework for understanding the relationship among federal, state, and local governments that focuses on the division of spending and taxing powers among these governments. Fiscal federalism is primarily an economic, rather than political, theory of relationships among central and noncentral governments.

Fiscal Federalism - Federalism in America  
ments in a fiscal federalism setting to those for an economic union. The latter involves a “ bottom-up ” approach where the default option is complete decentralization and a case must be made for centralizing functions to the center using notions like subsidiarity. In fiscal feder-alism, the approach is typically “ top-down ” .
