If anything ever published on The Learning Network could be said to have "gone viral," it is last February's "200 Prompts for Argumentative Writing," which we created to help teachers and students participate in our inaugural Student Editorial Contest. We've now updated last year's list with new questions and what we hope is more useful categorization.

301 Prompts for Argumentative Writing - The New York Times

The food taste good, smells good, and is good. My food comes from different animals like bacon is from a pig, shrimp is from actually shrimp, and eggs come from chickens. The food does not concerned me where or how it came to be on a shelf at the store but as long as it tastes good I'm fine eating it.
