Gran keeps McDonald's burger 'in closet for 24 years ...

You cannot. No car (except when you store it in very special conditions) will survive 30 years in "mint" conditions. Especially if you are going to use it. Of course, you can help it. Regular service prescribed by manufacturer is the best way to start it (of course, it is not enough especially after some 15 years).

How would you keep a car in mint condition for 30 years if ...
