Forced Induction Performance. We Specialize  
in Power ...

Although forced induction has been occasionally mentioned, it deserves some more focused attention. The aftermarket performance industry is flush with ways to add power to an engine. Few of these methods come close to the potential that forced induction offers for power increases.

# Read Book Forced Induction Performance Tuning A Practical Guide To Supercharging

Engine Tuning: Forced Induction Guide -  
PERFORMANCE

Tuning forced induction engines  
Superchargers, turbos, remote turbos. One of  
the best performance gains to be had is  
through forced induction. Adding forced  
induction to a NASP engine is one of the  
biggest power hikes you can have for the  
money. We also look at the options for tuning  
up supercharged engines including the  
turbocharger and remote turbos.

Force-Fed Performance – Forced Induction and  
Tuning ...

We can force feed anything any way. It doesn't matter how you do it as long as it gets done. From a custom twin-turbo system to a bolt-on supercharger kit, forced induction can create huge amounts of drivable power. We can build any forced induction setup, from mild to wild. We don't forget those cars on spray, either.
