Sync Supplement Manual

SYNC is available exclusively on Ford, Lincoln and Mercury vehicles. SYNC gives drivers the ability to use a variety of Bluetooth-enabled mobile phones, digital media players and other electronic storage devices to stay connected, both for entertainment and in time of need. It uses advanced technology to connect and control these devices.

Start by connecting your Bluetooth phone to SYNC through a process called "pairing." Once paired, your phone connects with SYNC each time you enter your vehicle, and calls are automatically transferred between your phone and your vehicle without hanging up. After pairing your phone, use SYNC voice commands to make calls, play music, and much more.
