Format Of English Articles - au.sof4realestate.com

English has two types of articles: definite and indefinite. Let's discuss them now in more detail. The Definite Article The definite article is the word the. It limits the meaning of a noun to one particular thing. For example, your friend might ask, "Are you going to the party this weekend?" The definite article tells you that your friend is referring to a specific party that both of you know about.

Articles: A Complete Grammar Guide | Grammarly

"Alan" and "The" are the two types of English articles. There are rules to help you decide which one to use, but first, you need to know what type of noun you are using. Grammar rule 1. When you have a single, countable English noun, you must always have an article before it.
