Ford Taurus Service Repair Manual PDF

This is a pretty basic instructable on how to repair or replace a horn speaker that is not working on a 2004 Ford Taurus. My car was involved a minor fender bender a little while ago, and the horn sounded funny since then. I decided to replace the speaker with a new one. The principle is the same and can be applied for every car, but there will be minor differences in the setup and placement of each car horn.
