The First Amendment in the United States Constitution was created to protect individuals' rights to practice free speech, press, and religion. However, the government safeguarding these rights at all times has been challenging. After the 9/11/ attack on New York City by Muslim terrorists, American rights to privacy and speech reduced.

Freedom of the Press - Free Paper Sample

Freedom of the press and speech originated alike. Under English law, either written or spoken, critical views about the government were punishable by law. The government saw criticism as evil, no matter if it was true or not, it caused doubt to be laid on public officers and decrease their reliability and integrity.

Freedom Of The Press Papers - repo.koditips.com

Small Press Small press and small publishing are a way for anyone to exercise their right to freedom of the press. This became far cheaper and more powerful with the commercialization of the internet in the mid-1990s. This may eventually challenge the dominance of media monopolies that may own key infrastructure such as telecom networks. As such, freedom of the small press relies on competition laws that prevent monopolies from abusing their position.
