How to futureproof your kids - The Telegraph

APPLY. At futureproof, we 're people-first and passionate about diversity. That 's why our training is completely free for the students, in order to attract people with ability, rather than the ability to pay. We only work with the top 1% of applicants and we train them in full stack web development. On completion of training, we place our technology professionals into businesses as consultants on two-year contracts, with the option to hire them permanently afterwards.

futureproof

In Futureproof, Caleb and Minter not only outline the core mindsets needed to be an entrepreneurial leader but provide an outstanding practical guide to implement these technologies both into your team and into your business. I so completely recommend it. If you 're working in a startup, it 's a no brainer; get a copy for all your team."
