“ More than three quarters of Nicaraguan #refugees and asylum seekers in #CostaRica are going hungry, eating only once or twice a day as a result of the socio-economic impact of the COVID-19 pandemic. ”

Refugees, Displacement, Migration - G20 Interfaith Forum

Global displacement: “ The G20 ’ s commitment to start developing a proper response in 2017 to the global displacement crisis is too little, too late. While Germany has recently welcomed far more refugees than the other richest nations, there remains a major gap with poorer countries hosting the vast majority of refugees.

G20 needs to do more on inequality, climate and migration ...

ACT-Accelerator, or the Global Collaboration to Accelerate the Development, Production and Equitable Access to New Covid-19 diagnostics, therapeutics and vaccines, is a G20 initiative announced by pro-tem Chair Mohammed al-Jadaan on April 24.

UN chief urges G20 to fill financing gap of 28 bn USD

In the aftermath of the 2008 global financial crisis, the G20 demonstrated what the world ’ s leading economies could achieve by acting in their mutual interest. At this virtual summit, today ’ s G20 leaders must rise to an even greater challenge, and they have every incentive to do so. This article was originally published in Project Syndicate.

Economic Windfall Should be Obvious to G20 Leaders ...

G20 needs to do more on inequality, climate and migration 5 September 2016 “ The G20 reiterated previous commitments to reduce inequality, boost the participation of women in work and phase out inefficient fossil fuel subsidies. The G20 said they would draw up a proper response to the refugee and migrant challenge next year, which is too late.

global displacement | Oxfam International

The G20 needs to prepare global institutions and mechanisms to cope with increasing flows and waves of climate-induced migration. An effective response requires specific policies and international cooperation to assist, protect and provide durable solutions for those displaced by climate change, manage climate risks for those remaining and support opportunities for voluntary migrants adapting to climate change.

G20 Global Displacement And Migration Trends Report 2017

Subsequent summits have lacked the same sense of urgency and have failed to deliver any kind of agenda that can be pinpointed as clearly as “ saving the global economy. ” This week ’ s summit in Hamburg, Germany promises more of the same, with the real possibility that the G20 ’ s stock could fall even further at the hands of a non-cooperative US delegation.

G20 | Center For Global Development

Germany has continued the recent tradition of expanding the group ’ s remit beyond economics. It notes that the G20 must “ assume responsibility ” in areas that affect global peace and security, including displacement and migration, stating a commitment to building on previous years ’ efforts to protect refugees.
