George decides the best remedy for her grumpiness is a special home-made medicine. But Grandma gets more than she bargained for! In George's Marvellous Medicine, published in 1981, George Kranky's Grandma may not anticipate the results of the medicine fed to her by her grandson, but like George, Roald Dahl also had fun mixing marvellous concoctions. He called them witches potions and delivered them to his children just before bedtime.

Georges Marvellous

tells the story of 8 year old George Kranky who lives on a farm with his mum, dad and his nasty old grandma. She is a bitter old lady who speaks horribly to George and is always saying mean things to him. It is George's job to give his grandma her medicine at 11am every day.

### **George's Marvellous Medicine by Roald Dahl**

George's Marvellous Medicine (known as George's Marvelous Medicine in the UK) is a book written by Roald Dahl and illustrated by Quentin Blake. First published in 1981, it was praised for its humour, but was also

George's grandma is a

grizzly, grumpy, selfish old woman with pale brown teeth and a small puckered-up mouth like a dog's bottom. Four times a day she takes a large spoonful of thick brown medicine, but it doesn't seem to do her any good. She's always just as horrid after she's taken it as she was before.

### **George's Marvellous Medicine | Teaching Ideas**

This is a wonderful book about George who has a cranky old grandmother hell bent on making his life difficult. So he comes up with a plan for substituting her normal medicine which
