Designers How To: Tell A Great Story— 5 storytelling tips Graphic Design A Concise History

The story of graphic design is one of the most exciting and most important in the history of 20th-century visual culture. Created to inform, identify and promote, graphic design has evolved from its roots in the development of printing to become a profession and a discipline in its own right.

Graphic Design a Concise History
by Hollis Richard - AbeBooks
A revised and expanded history
surveying a vast range of media
and including the technologically
induced changes in graphic
design since 1990. Starting with
posters, advertising and
corporate identity, it charts the
development of word and image
up to and including the impact of
digital technology.

Graphic Design : A Concise History - Book Depository
5.0 out of 5 stars Concise History of Graphic Design. 26 December 2013. Format: Paperback Verified Purchase. I checked this book out in my university library to help with some essays and then decided to purchase as its such a good resource. It is an informative, well-designed book with plenty of relevant imagery as illustrations.
