Activity #1: Guess What Is Growing Inside This Egg FSHE Story with Mrs. Arce “Ten Eggs in a Nest” 4/20 Read “~~See How They Grow CHICK~~” and ~~Update on Ms. Tania’s Chicks~~ *Read aloud of the book Hatch Peek and See the Baby Animals. Hank Finds An Egg By Rebecca Dudley (Picture Book) | Children’s Book* **Guess What Is Growing Inside**

The author presents a clue about a certain animal that grows inside an egg, which allows readers to guess what the animal is. Then the author gives factual information about this animal and how the egg is important to that animal. I love to use this book around Easter with my unit on eggs.

The book, "Guess What is Growing Inside This Egg" is a very good science information book. The book has different animals that hatch from an egg. This would be a good resource to use in a science lesson on animals that hatch from eggs. Overall I would suggest this book to any teacher to put in their library.

Guess What Is Growing Inside This Egg. Author: Posada, Mia. Isbn: 9780822561927. Rhyming text introducing eggs, their location, and the behavior of their parents invites the readers to guess what sort of animal is inside, and provides information about the baby animals on the next page.

**Guess What Is Growing Inside This Egg**  
Brief rhyming text and a zoomed-in picture of each egg provide readers with clues as to what is growing inside. The next spread provides the answer, a more wide-angle look at the animals, and a paragraph of interesting information about the species (e.g., what they eat, how they get around, what their habitat is like and whether they depend on their parents for nurturing).
